# ARTEMIS ACRYLIC WORKTOPS

## Cost-effective, high-quality

This selection of 20mm acrylic solid surface worktops is ideally suited to contemporary kitchen designs. Available in an array of beautiful tones, they provide the luxury finish customers desire. The worktop size is 3000mm x 650mm, resulting in very little or no wastage on the width.

*2000 x 960mm sizes are available for island units.*

*Several 3000 x 650mm sink modules available.*

*3000 x 150 (or 75) x 12mm upstands.*

*3000 (or 1500) x 760 x 12mm splashbacks.*

*900 x 760 x 12mm hob splashbacks.*

- Affordable alternative to Corian®
- Look and feel of natural stone
- Durable and hardwearing
- Non-porous and hygienic
- Seamless joints
- Colour right through
- Easy to install

## Easy installation options

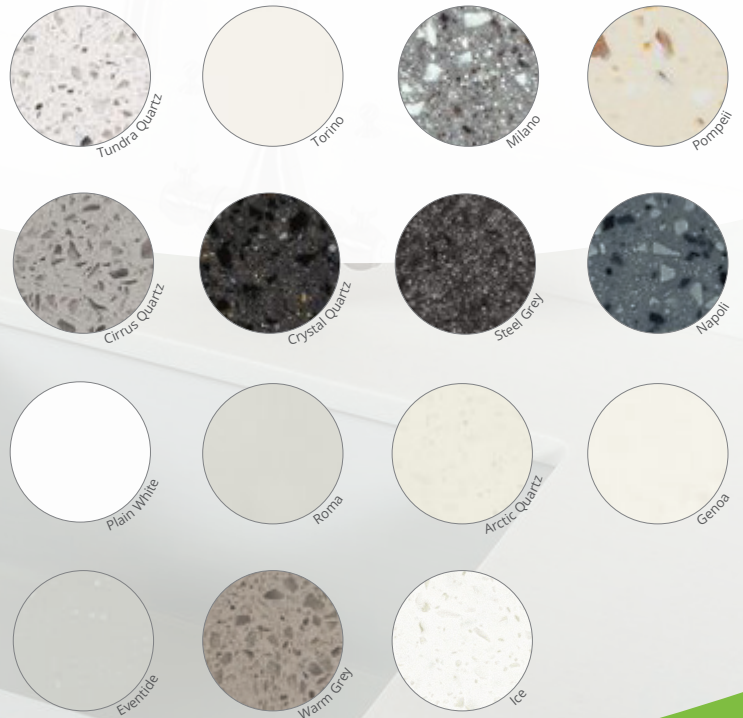

### 1) Expertly installed bespoke worktops

Your surfaces are templated and prepared at our factory before our fitters install them at a time convenient to you.

### 2) Templated and prepared worktops

You receive templated surfaces cut to size and prepared with cut-outs, sinks, draining grooves and joints, ready for easy installation.

It's possible to order raw sheets of Artemis for your fitters to cut, prepare and install.
